1. Create a Personal Account

Web Terminal: Register a Personal Uniportal Account on the website of Huawei FusionSolar Community.

The screenshot displays the Huawei FusionSolar Community website. At the top, there is a navigation bar with the Huawei logo and 'COMMUNITY' on the left, and links for 'Home', 'Registration & Certification', 'Marketing Support', 'Sales Incentives', 'Installation and O&M', and 'Training' in the center. On the right side of the navigation bar, there are links for 'Ireland / English', 'Login', and 'Register'. A red box with the number '1' highlights the 'Register' link. Below the navigation bar, there is a large banner with the FusionSolar logo and the text 'Install Huawei Inverter First, Get a Free Luna-S0 Pack!'. The banner also features three promotional periods: 'Install Huawei Inverter 20 May - 20 July 2024', 'Install Huawei Battery 1 Aug - 31 Oct 2024', and 'Get a Free Battery Pack 1 Aug 2024 - 30 Nov 2024'. On the right side of the banner, there is a 'Sign In with Uniportal ID' form with fields for 'Username' and 'Password', a 'Remember Account Name' checkbox, and a 'Login' button. A red box with the number '2' highlights the 'Register' link below the 'Login' button. A hand icon is shown clicking the 'Register' link.

2. Register or Associate Installer Company

If you are the company account administrator and you don't have a company account yet, please follow the instructions to register a **Installer Company** on the website of Huawei FusionSolar [Community](#). Once approved, the account will become the first administrator automatically. The administrator can then enable other employee accounts as administrators.

Home Registration & Certification Marketing Support Sales Incentives Installation and O&M Training

The screenshot displays the 'Registration & Certification' section of the Huawei FusionSolar Community website. The top navigation bar includes links for Home, Registration & Certification, Marketing Support, Sales Incentives, Installation and O&M, and Training. The main content area features three cards: 'Technical Support' (Integrate digital and power electronics innovations into smart power products and solutions. This generation-grid-load-storage synergy creates value for customers.), 'Capa' (Provide documentation, enablement platforms, and various toolkits to improve installer partner skillsets.), and 'More Incentives' (Offer various incentives for installer partners.). Below these cards is a section titled 'How to Become Huawei's Installer Company' with three steps: 1. Register a Uniportal Account (If you are a Uniportal user or have already logged in, please skip this step. Create an Account.), 2. Register or Associate Installer Company (For Company Administrator: Register; For Company Employee: Associate Your...), and 3. Certified to do (To get more support, Loyalty Installers Program. Check my company.). A modal window titled 'Register an Installer Company' is overlaid on the right, showing a form with sections for 'Basic Company Information' (Company Name, Business Registration Country, City, Company Registration No.) and 'Company Administrator Information' (Your Name, Job Title, Email, Phone Number). The 'Submit' button is highlighted with a red box and a hand icon, with a red '3' next to it.

* Note: 1. Select the **Country** where the local company is located. Once selected, any revision is not allowed. If there is a branch, the administrator needs to go to the country site to create a local company account; 2. The administrator cannot unbind the company if there are no other admin accounts.

2. Register or Associate Installer Company
